

For the stakeholders of Eaternity AG

September 15th, 2026

Declaration on the preparation of verification of LCA tool Methodology and Ratings for Eaternity AG

Potential customers and other stakeholders are hereby informed that Bureau Veritas Solutions Denmark A/S has been appointed as verifier to Eaternity AG to verify their carbon footprint tool methodology and rating method, including annual surveillance and sampling review of live trader outputs.

The verification is prepared in accordance with ISO 14064-3:2019 Part 3: Specification with guidance for the verification and validation of greenhouse gas statements, to find compliance with ISO 14067:2018 Greenhouse gases — Carbon footprint of products — Requirements and guidelines for quantification. In accordance with ISO 14064-3:2019 the verification is carried out with limited assurance
